

Hallow Myrna.

On behalf of our family of the widow mutumbi
I extend our sincere thank to you, Least of these ministries and
your co-ordinator Jesca for all you have done to support our
family and education. We thank God for your services because
we're now in a new world in our new home Least of these
ministries built for us. We thank God for our brother
Godfrey whose life was saved by you Myrna, Jesca and
Least of these ministries who catered for his treatment.
We're now saved because we realised from Jesca that -
Jesus loves us when he saved us from the critical ~~stare~~
situation we were in by bringing you Myrna to our
home. May God bless you Myrna, Jesca and Least of
these ministries because you are doing every important
job to help us the poor. All members of my family have
sent you thanks and greetings. We pray you come back
out see how happy we're these days in our new home.
We love you Myrna and Least of these ministries.
